The **CREAM SEPARATOR** *For* **DISCRIMINATING BUYERS** *The* **1909** **Model** **United** **States**

Among the leading breeders and discriminating dairymen the **United States Separator** is recognized as the **Best High Grade Separator made**, and is used by them.

We want the opportunity to demonstrate to prospective purchasers that the **United States** is **cheapest in the long run**.

It costs no more than other Separators of equal capacity. It lasts longer, gives less trouble and has far greater cash value.

It is **cheaper** in the end than Separators selling at lower prices, because there are practically no **repair bills**, because it does **better work**, because it does it **easier**.

The **United States Separator** is the closest skimming Separator made. It *Holds the World's Record* made in fifty consecutive runs on milk from ten different breeds of cattle.

United States selling agents in every dairy section will allow **free trial** to any prospective purchaser. If you do not know the address of the local agent, write us for Catalogue No. 38 and your request will be promptly attended to.
